Continuing Education Requirements for EMTs: Tracking Record

Maintain this personal record of CE hours to ensure recertification requirements are met and to help resolve discrepancies.

MA EMT card expires 4/1/2015: Track hours from January 1, 2013 through February 15, 2015*
MA EMT card expires 4/1/2016: Track hours from April 1, 2014 through February 15, 2016*

*Although the deadline is March 31; we STRONGLY recommend that you complete your courses and file applications by February 15 in order to ensure you receive your card by April 1. Waiting until 3/31 will delay the process and you will not be able to work as an EMT until your card is received.

Continuing Education Requirements for EMTs: Tracking Record (cont.)

Name_____ EMT#_____

OEMS #	Title of Course	Date(s)	Credits	Instructor/Location
ICCR:	Individual Continued Competency Requirements (Take courses of your own interest & list here)		(10 total)	

Non-interactive online training (online courses without a live instructor) is limited to 1/3 of the total number of credits, so *take no more than 13 credits online*. Print a completion certificate or save an electronic version.

Request a "certificate of completion" for all courses, unless your Training Officer will enter the course completion information into the online database operated by National Registry for you.

EMTs associated with Region II as ñunaffiliatedò(not Nationally Registered) should enter their training in the massemt.org website and email the course completion certificate to: recert@semaems.com
